FOUR WHEEL DRIVE RECREATION COURSE

The course is designed for all types of four wheel drive vehicles. The RAC Driving Centre conducts four wheel drive training courses on our purpose built four wheel drive circuit. The practical training provides familiarisation in actual off-road conditions.

GET THE BEST FROM YOUR VEHICLE BY:

- Understanding the characteristics of 4WD vehicles
- Correctly negotiating sand obstacles
- Knowing ideal wheel placement
- Handling rough terrain
- Selecting the right gear and also when and how to engage four wheel drive
- Experiencing stall out and stall recovery
- Completing ascents and descents
- Negotiating humps and ditches
- Responding to transmission wind up
- Practicing environmental consideration - (minimising environmental impact)

DURATION: Full day

CERTIFICATE: A certificate will be issued on successful completion of course

REQUIREMENTS: Full licence or P Plates
